RF Adapters

RF Adapter N jack to SMA Jack

Technical Specification		Photograph / Drawing
Model Number	LWC-ADAP-N-JACK-ST-SMA-JACK-ST	
Frequency (GHz)	DC - 4.0 GHz	
Impedance	50 Ω	
VSWR	1.3 MAX	
Operating Voltage	500Vrms	
Mechanical Specification		
Body, Metal Parts	Brass with Gold Plated	
Centre Contact	Phosphor Bronze with Gold Plated	
Insulators	PTFE	
Environmental Specification		**Salient Features and Applications**
Operational Temperature	-65^0 C to 165^0 C	- MIL grade available on request. - High quality material used. - RoHS compliance available on request.
Humidity	5 – 95%
